THE WHITE HOUSE

WASHINGTON

March 12, 1965

MEMORANDUM FOR MR. BUNDY

Attached is a memorandum from Sherman Kent to the DCI reviewing the validity of recent NIEs on Vietnam (they are still valid). The DCI has seen and asked that you be given a copy.

George Allen (see paragraph 4) is an experienced and able analyst of the VC. I have asked him to come around and discuss his thesis with me.

Chester L. Cooper
